

Elementary Family Bible Journal Project

Hello CCA Families,

Who's ready to dive into God's Word this summer? At CCA we are committed to training young people to know and love the truth that is found in God's Word. To assist our students and their family to draw closer to our Lord we would like to share a family Bible Journal project.

A schedule of Bible reading has been provided. Students may create a journal that shares the stories you have read. Be sure to include a summary of what you read each week through pictures and/or words. Feel free to use the template provided or create your own.

Journals may be turned in to your teacher when you return to school on Monday, August 28, 2023. Extra credit will be given.

Happy Reading!
