

Lower School Summer Learning *Entering 2nd Grade*

Summer is a wonderful time for students to take a break from a formal learning structure, but it is never good for anyone to take a break from learning. Our hope is that you approach the summer with goals of fostering your student's love of learning and creating opportunities for growth and discovery in your student. Our goal is that you take advantage of the special summer days to encourage your student's curiosity, creativity, reading, and growth. Have a wonderful summer connecting with your student and making memories!
