

Lower School Summer Learning Entering 4th Grade

Summer provides a wonderful opportunity for students to continue growing through meaningful learning experiences beyond the classroom. Reading, writing, and time spent in God's Word all help nurture curiosity, wisdom, creativity, and spiritual growth. The following summer learning projects are designed to encourage students to continue developing their language arts skills while also deepening their understanding of Scripture and their relationship with the Lord. We hope this summer is filled with opportunities for discovery, growth, encouragement, and joyful learning.

Summer Learning Projects

- **Bible**
 - ["Bible Overviews for Kids" on RightNow Media](#) is an animated video series that introduces children to the main themes, people, and lessons of individual books of the Bible in a simple, engaging, and age-appropriate way.
 - Our prayer is that as families spend time learning more about God's Word together, it will encourage meaningful conversations, deepen a love for Scripture, and strengthen each family's relationship with the Lord and with one another.
- **Language Arts**
